“ *Everything about this man was amazing. Every minute we spent with Stan and Judy is a treasured memory. We know that Stan has found piece in the arms of God and the family that has been waiting for him to come home. Godspeed my friend! We will miss you dearly.*

“ I knew Stan from our days in Kansas City while working for Internal Audit, and he was a gracious and funny man. My wife and I continued to see Stan and Judy at our numerous annual MWR reunions in Vegas. One could always count on Stan betting on his beloved "Chefs" (remember the misspelled name in the end zone). Our condolences to Judy and the entire Wilson family. May Stan rest in peace.

*Although Stan and I worked in different offices in our region, I got to know Stan quite well from various seminars, training sessions and regional meetings, plus various reunions in Las Vegas in later years. Stan was one of the most popular and effective auditors in the history of Midwest region. Those pictured above and many others at that 2018 reunion in Las Vegas were fortunate for knowing Stan in those glory years of the Midwest Region. Betty and I offer our sympathy to Judy and the rest of the family.*
