“ *To the family of Suzan - Sorry to hear about Suzan passing away. My husband went to grade school and high school with her here in Concordia. I was just in high school with her. Saw her at our 40th class reunion in 2018 and had a very good visit with her. She always had a smile on her face and will be missed. Keep all your memories close to your hearts. God's Blessings, Brett & Becky Schuette*

I think she was getting ready to bonk you on the head with it! Just joking! Our hearts are with you Mike. I loved talking with Susan, she was always so nice to talk to. We will miss her at the mission. You both were one of our first guests. Susan loved the Lord and I know she is singing God's glory now. As hard as this is and how much you miss her, you will meet again with no more sickness and no more pain. We love you. You were so good to her.
