“ We were blessed to share the happiness of watching our babies have babies.
Sharing grandchildren is a kinship that is like nothing else. You'll be missed!

“ I will forever remember our fun times together. The Blast From the Past, our trips to Branson, Spooky Trails, fireworks and so much more. We drifted from one another because of life's busy times, but I'm so glad I got to see you, and remind of our good times, and to tell you no matter what, I love you . I'm glad you are out of pain, and being with all our family, and resting in the arms of Jesus. Until we meet again...love you.....Fafa
