“ Donna and family, so sad to hear of Toney's passing, he was always a pleasure to be around and always the life of the group of us as we hung around between loads. He was one of a kind. You never went anywhere that people didn't ask about that guy and his big yellow truck. He will certainly be missed. Our condolences to you as you endure this difficult time.

“ I will miss my Dad so much. I have wonderful fun memories. My daughter Maggie loved her Papa dearly. When she sees me crying she says Mommy think happy thoughts. I do and it makes me smile. He was so funny and made friends everywhere he went. I know Maggie and I will see him one day. Thank you Jones for blessing our lives.
