“ *My thoughts and prayers are with the family. Travis was a sweet man a good friend to my dad. I have good memories of visiting the farm when my dad and Travis worked together at Buffalo auto salvage.*

“ *Lila and family,
I am so sorry for the loss of your father and grandfather. I have heard you speak of him often and I know what a fine man he was by the lives of his children and grandchildren. I wish you could have had many more years with him, but I am thankful for his faith in Jesus Christ as I know you will see him again. Until then, what a huge hole he has left. Sending you hugs and prayers. Please give your mama a special hug from me.
Love and prayers,
Martha Dinsdale*
