“ *June was one of the sweetest and most thoughtful of friends. She kept in close touch with me even though I moved far away and we shared a lot of joyful times. She treasured her Thursday night family gatherings and had deep love for each one of her children. They in turn had deep love for her. As do I. She lived a very good life and happy life. She loves the outdoors gardening and watching her children grow and their children grow. I shall miss her dearly.*
