“ *Adrienne and family, there are no words that can express my sadness. Bill was one of the best friends a person could have, and we all enjoyed many great times together. Our trips for the export orders will remain some of the best times I have ever realized. Bill will never be forgotten, and I will greatly miss him. He was a true friend.*

“ *Bill was one of a kind, always right there to help out in any way that he could. He was a kind and gentle man and best friend to many. We will always cherish the many thoughts we have of all the times we spent together, but we know that he is now in a much better place and in the best caring hands. To Adrienne and their family, you are all in our thoughts and prayers during this most difficult time. God be with all of you.*
